Grade Calculation:

Each site starts out with 100 points. Each "NO" checked will result in 1 point being deducted from 100. This method will insure that with the additional site-specific items, all sites will begin the inspection with 100 points and scoring will be consistent from site to site.

Total possible points = 100	Total	<u>100</u>
Subtract number mark "X"	Minus (-)	<u>6</u>
Final Grade	Grade	<u>94</u>
